Financial Policy for Our Patients

Our office wants all of our patients to be able to comfortably afford dental care. We proudly offer the following financial policy so that our patients can have the opportunity to decide which payment option best suits their needs.

Payment is due in full at time of service.

Payment Options: In order to make dentistry as affordable as possible, we offer you these payment options:

- Pay in full with cash or check at the start of treatment and receive a 5% prompt payment reward.
- Pay in full at time of service with VISA, MasterCard or Discover.
- For patients with insurance, your estimated portion is due at time of service (cash, check, VISA, MasterCard or Discover).
- Extended-term financing is available through Care Credit, Chase and Lending Club which are health credit accounts that can be applied for through our office with an outside financing company. The application is called in from our office, and we usually know within an hour if your application is approved. This is a one (1) year interest free credit card with payments being made directly to the financing company.

We include a monthly billing charge or finance charge of 0.5% on all balances of 60 days and older.

Dental Insurance: It is our pleasure to assist you in preparing and submitting your claims, and helping you to maximize your insurance benefits. At the time of service, we will only ask you for the estimated portion of the dental care that is your responsibility. Please understand that this is only an *estimate*, and is based on the information available to us.

The financial obligation for dental treatment is between you and our office, regardless of insurance coverage. Because your dental benefits are governed by a contract between you/your employer and your insurance company, if we have not received payment from your insurance carrier 30 days after the claim is filed, the remaining balance will be due and payable by you.

The treatment we recommend is determined by what is best for your dental health. Our recommendations are based on your dental needs, not your insurance coverage. Your insurance company may or may not cover all recommended procedures. We request that you understand your benefit plan and be familiar with the dental benefits covered by your insurance in advance of your appointment so that together we can make the best treatment decisions. If you have any questions about your coverage, we encourage you to call your insurance company's Customer Service Center to learn more about your coverage.

Please remember that dental insurance is not designed to cover 100% of the cost of all treatment. For example, you may choose treatment that your dental insurance excludes from coverage (i.e., a "non-covered service"). In those cases, you will be responsible for the full amount of those services. Our staff is happy to provide you with estimates for the treatment options you have chosen, and answer any special concerns or questions that you may have.

I authorize my insurance company to make payments directly to the dental office for benefits otherwise payable to me. I authorize release of my records to third party payers, other healthcare professionals or operations or other entities as deemed necessary by this office. I authorize the use of this signature for all insurance submissions. I authorize this office to charge my credit card or bank account for any unpaid balances, including but not limited to balances after insurance payment. I understand in certain circumstances, my credit report maybe requested. I have reviewed the information on this form, and it is accurate to the best of my knowledge. I understand check payments may be converted to automatic bank drafts. I have received a copy of the Notices of Privacy Practices form.

Broken Appointments: A specific amount of time is reserved especially for you and we strongly encourage all patients to keep their appointments. If you must change your appointment, we require at least 24 hours notice. If you do not provide us with at least 24 hours notice, we reserve the right to charge you a $50.00 cancellation fee.

I understand and agree that I am responsible for the balance on my account for any professional services rendered, without regard to whether I have insurance.

I have read and understand all of the information contained on this form.

We welcome you to our family and look forward to helping you get the healthy, beautiful smile you've always wanted. If there is anything we can do to make your visits here more pleasant, please don't hesitate to ask one of our staff members.
